The face of nursing The face of nursing—that is, the overwhelmingly female face—also affects our image. Although the number of men in nursing is growing, we need more campaigns and targeted recruitments to draw men into the profession. The old Cherry Ames image keeps the profession primarily female.

The Image of Nursing - American Nurse

Diversity in the Nursing field is essential because it provides opportunities to administer quality care to patients. Diversity in Nursing includes all of the following: gender, veteran status,

Where To Download Bundle Nursing Assistant A Nursing Process Approach With Studyware Cd Created For Anamarc College

race, disability, age, religion, ethnic heritage, socioeconomic status, sexual orientation, education status, national origin, and physical characteristics.

Why Is Diversity In Nursing So Important?
