Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase.

Divide And Rule

Divide and rule policy (Latin: divide et impera), or divide and conquer, in politics and sociology is gaining and maintaining power by breaking up larger concentrations of power into pieces that individually have less power than the one implementing the strategy. [citation needed]The use of this technique is meant to empower the sovereign to control subjects, populations, or factions of ...
