About Face: The Essentials of Interaction Design: Amazon

...

I've started a list of essays and articles that I feel are important touchstones and reference points for interaction designers. These are not books (my Top Ten Essential Interaction Design Books), book chapters, or presentations (list to come), and I've certainly left out some classic (and not-yet-classic) articles. The list, as the best lists often are, is idiosyncratic.

Essential Interaction Design Essays and ... - Le vide poches

Fitts' law. Image by Interaction Design. An example is a UI designer working to create a more efficient, usable interface. The designer can work not only on reducing the distance between elements and increasing the size of specific elements but also on reducing the total number of targets a user has to interact with to complete a task.
