The primacy of European Union law (sometimes referred to as supremacy) is an EU law principle that when there is conflict between European law and the law of its member states, European law prevails, and the norms of national law are set aside.

Primacy of European Union law - Wikipedia

Germany is a clear example of how judicial rivalries and divergent judicial preferences regarding European legal issues have shaped the process of doctrinal change. Divergent preferences created a dynamic of legal integration that both propelled the expansion of European law into the national sphere and created limits to its reach in the national sphere.
