Hormel Foods Corporation is an American food processing company founded in 1891 in Austin, Minnesota, by George A. Hormel as George A. Hormel & Company. Originally focusing on the packaging and selling of ham, Spam, sausage and other pork, chicken, beef and lamb products to consumers; by the 1980s, Hormel began offering a wider range of packaged and refrigerated foods.

Hormel Foods - Wikipedia

Agriculture is the practice of cultivating plants and livestock. Agriculture was the key development in the rise of sedentary human civilization, whereby farming of domesticated species created food surpluses that enabled people to live in cities. The history of agriculture began thousands of years ago. After gathering wild grains beginning at least 105,000 years ago, nascent farmers began to ...
