Harley Kickstand Spring Installation

Install the spring on your bike, finding the position of the kickstand such that the two holes for the kickstand spring are closest together. On old Harley's like mine, there is a safety tab that you remove and you turn the kickstand until it is pointed toward the front wheel. This brings the hold on the frame and on the kickstand arm itself closest together.

Tips for Installing a Motorcycle Kickstand Spring ...

I describe a quick method for replacing the kickstand (jiffy stand) spring on a Harley.
