Amazon.com: Customer reviews: New Additions (By Design Book 5)

The Architecture of Additions considers the ways in which old and new architecture combine and work together—the central issue in the design of architectural additions. Paul Spencer Byard, an architect and lawyer, looks at more than sixty combinations, built and unbuilt, for criteria to help protect the public interest in great buildings.

New Additions (By Design Book 5) eBook: Armstrong, J.A ...

New Additions is a part romance and part slice of life story with a nice dose of human kindness and compassion. The main characters are nice people instantly attracted to each other, and linked by a common goal -- helping abandoned children. Their mutual attraction starts rather fast and comes off as a surprise to both characters.

Overall Assessment of Book . Black & Decker The Complete Guide to Room Additions aims to cover all aspects involved with building a room addition. Because the topic is so vast, the book cannot cover everything, try as it might. The book falls short of being a complete do-it-yourself guide to building your own room addition.
