Golden Age or Golden era are terms used in Nigerian film history to designate the motion picture industry of Nigeria from the late 1950s to the late 1980s. It captures the mode of visual and sound production, as well as the method of distribution employed during this period. This period began with the formal recognition of the Nigerian Film Unit as a sector in 1954, with the first film ...

Golden Age of Nigerian Cinema - Wikipedia

Physical geography is the examination of the natural changes in the Earth. The shifting of plate tectonics and volcanic eruptions would be considered features of physical geography. Human geography is the study of how human behaviour relates to the geographical landscape - the building of castles and cathedrals, or bridges, for example.
