task itself, planning time, and the report.

During the task, learners perform the task individually, in pairs, or in groups, while the teacher acts as a monitor and provides support.

During planning time, the teacher optionally gives learners time to prepare for the report.

Get Free Tasks For Language Teachers A

teachers

Task-based language teaching, also known as task-based instruction, focuses on the use of authentic language and on asking students to do meaningful tasks using the target language. Such tasks can include visiting a doctor, conducting an interview, or calling customer service for help. Assessment is primarily based on task
