The store is easily accessible via any web browser or Android device, but you'll need to create a Google Play account and register a credit card before you can download anything. Your card won't be charged, but you might find it off-putting.

Teaching Young Language Learners

What this means is that when we teach young learners, we have to change our focus from written language (reading and writing) to spoken language (listening and speaking). This works with the natural development of the child and doesn't put undue pressure on them to perform in their second language what they can't even do in their first language.

7 Need-to-know Tips for Teaching Foreign Language to Young ...

They are great for young learners because they describe language functions in a granular way, enabling educators to give their learners credit for small achievements. They also clearly show the language functions to target next in order to take learners to the next level. I found this helpful I did not find this helpful

Language Teaching for Young Learners | John Benjamins

Teaching Young Learners is all about being able to deal with discipline calmly and effectively. If you're lucky, you might have a teacher's assistant or a co-teacher to help you if you are teaching Young Learners in a physical classroom. When teaching adults, disciplines should not be an issue because, well, they're adults.
