The Golden Rule is a win-win philosophy.

4. The Golden Rule is a compass when you need direction. Therefore. 5. The Golden Rule should be accepted. The claim that the Golden Rule is accepted by most people is arguably the most common feature of just about any discussion of the Golden Rule.

In The Golden Compass, the physical presence of Dust is less of a literal concept, and more of a theoretical and moral philosophy. It is a unique symbol that contributes to the overarching themes evident throughout the story of the dangers of having blind faith and using religion as a weapon to hurt those who do not share the same beliefs.
