I just love these guys. This is a HUGE group, what they do is amazing. What they are doing is HUGE, there is no one better than Masters Voice.

### **Masters Voice - Home**

His Master's Voice (HMV) was the unofficial name of a major British record label created in 1901 by The Gramophone Co. Ltd. The phrase was first coined in the late 1890s as the title of a painting depicting a terrier-mix dog named Nipper listening to a wind-up disc gramophone. In the original 1898 painting, the dog is listening to a cylinder phonograph.

### **His Master's Voice - Wikipedia**

The Master's Voice is the second album by American improvisational band Unknown Instructors. The core quartet of Mike Watt, George Hurley, Joe Baiza, and poet/saxophonist Dan McGuire reconvene on the album, with guest vocals on three tracks by David Thomas and on another track by artist Raymond Pettibon. In addition, Watt also contributes a vocal of his own. The album was recorded at Total Access Studio in Redondo Beach, California, the same studio where Black Flag recorded many ...
