The paranormal is something that I've always been interested in, but there are things you need to know about shadow people that can scare you. Shadow people are dark, shadowy figures that you see. Unlike ghosts, where you typically don't see clothing and outlines, shadow people are just dark, deep figures.

@andyricflair @aligraham117 There are some you wont be able to get from grinding, but thats always been the case with games. Like warzone sells loads of shite that you cant grind for, so does fortnite and the like. Its mad, like slap xbox onto something that is no issue and it suddenly becomes an issue.

Anxiety and overthinking tend to be evil partners. One of the horrible hallmarks of any type of anxiety disorder is the tendency to overthink everything. The anxious brain is hypervigilant, always on the lookout for anything it perceives to be dangerous or worrisome. I've been accused of making problems where there aren't any.
