### Treatises: Translating - Legal Interpreting and ...

Legal translation is the translation of language used in legal settings and for legal purposes. Legal translation may also imply that it is a specific type of translation only used in law, which is not always the case. As law is a culture-dependent subject field, legal translation is not necessarily linguistically transparent. Intransparency in translation can be avoided somewhat by use of Latin legal terminology, where possible, but in non-western languages debates are centered on the origins a

### Legal translation - Wikipedia

The translation of "law" to other European languages faces several difficulties. In most European languages, as well as some others influenced by European languages, there are two different words that can be translated to English as "law".For the general comparison in this article the Latin terms "ius" and "lex" will be used. Etymologically, ius has some relation to right, just or straight

### Translating "law" to other European languages - Wikipedia

In legal translation, it is not just about replacing a word with another. The translator must transpose the legal concepts into another language. Because of difference in legal expressions and traditions, the translator must be very specific about what language to use within the target jurisdiction.

### What is Legal Translation and What Makes it Different?

Translating legal documents from one language into another requires careful use of language. Phrases, expressions, and words may be everyday talk in one language, but may be insulting or embarrassing in another. A good translation will choose diction that is both accurate and appropriate, without compromising the meaning.

### Legal Terminology - Lawyers - Court-related Translation ...

The book investigates legal translation in its many facets as an intellectual pursuit and a profession. It examines legal translation from an interdisciplinary perspective, covering theoretical and practical grounds and linguistic as well as legal issues.
