The store is easily accessible via any web browser or Android device, but you'll need to create a Google Play account and register a credit card before you can download anything. Your card won't be charged, but you might find it off-putting.

### Uncouth Nation Why Europe Dislikes

In a classical instance of resentment, Europeans deride America not so much for what it does but because of what it is-an orientation that often says more about contemporary Europe than about its despised trans-Atlantic rival. Uncouth Nation is lucidly argued and mellifluously written.

### Amazon.com: Uncouth Nation: Why Europe Dislikes America ...

Because there is hardly anything that binds individual European countries together, the United States (and to a certain extent the Middle East/Islam as well) has a great role to play. Thus, "Europe," really a vacuum waiting to be filled, can be put in an easy opposition to the United States, in order to define its essence.

### Uncouth Nation: Why Europe Dislikes America (The Public ...

"In Uncouth Nation. . . the subject is the breadth and depth of the anti-Americanism that has swept Europe in recent years. . . . [A] book that promises to explain how Europe's aversion to the US has been catapulted into overdrive by George W. Bush's policies."

Uncouth Nation: Why Europe Dislikes America Princeton Publishing ^ | Jan 2007 | Andrei S. Markovits Posted on 04/14/2007 1:05:49 PM PDT by HawaiianGecko. Anti-Americanism has been promoted to the status of West Europe's lingua franca. Even at the height of the Vietnam War, in the late 1960s and early 1970s, and during the dispute over NATO ...

### Uncouth Nation: Why Europe Dislikes America

As I argue in my recently published book, Uncouth Nation: Why Europe Dislikes America, anti-Americanism precedes the misdeeds of the Bush administration and will remain largely intact even when - God willing - we will see this eight-year-long nightmare end on January 20, 2009 with the inauguration of a Democrat as our new president. Anti-Americanism has become a welcome currency in Europe and for Europeans.
